KL asked if a \$15M band-aid can be identified to plainly demonstrate that we will be spending good money after bad if we do not replace the buildings.

TG reported on the progress of the webpage. The link will be emailed to members once the page is built.

The Committee briefly reviewed the debt model.

The Committee discussed the scheduled appointment to present the project to the Master Plan Committee (MPC). Members agreed the slide deck needs to be shorter and more focused when we present to other groups.
