SHOPPING FOR THE HOLIDAYS?

We would greatly appreciate being on your shopping list! There are many seniors in town who are having a very difficult time in this economy. We are particularly interested in gift cards to Market Basket, Walgreens and CVS, as these will help people out with food, and health related items, including prescriptions they might forgo purchasing because of limited funds. With financial donations we can assist people with heat and utilities. These types of donations can be given directly to the **Middleton Council on Aging**.

Middleton Food Bank is also in need of financial support in particular, so that they can make the purchases that are most needed for the numerous families (including seniors). Checks and gift cards are appreciated and will be used to help people out during the winter months. Food items are always appreciated as well, but please contact us to find out the particular needs.

These donations can be brought to our building and designated for the Middleton Food Bank.

ADDITIONAL COMMUNITY NEWS YOU CAN USE

Appliance and Electronic Recycling Event set for Saturday, October 29

As part of the Masconomet Regional School District "green" initiative to become more environmentally responsible, the Masconomet Music Parents Association (MMPA) will hold an Appliance & Electronic Recycling Day on Saturday, October 30, from 9 to 1 in the Masco parking lot, 20 Endicott Rd., Topsfield, MA. For a small fee local residents can drop off broken and outdated electronic items and appliances ranging from refrigerators to a shoe box full of odds-and-ends including cellphone, MP3 players and computer mice. The recycling fees range from \$5 for a shoebox up to \$25 for televisions larger than 32 inches.

Masco parents and students will be available to pick up items prior to the event and help people unload their car when they come into recycle. To arrange pick, contact Warren Greenstein at 978-352-7315.

All proceeds from the event will go towards scholarships for Masco music students.
