It is Almost Here! Medicare's Annual Open Enrollment

It's that time of the year again! If you have a Medicare Prescription Drug Plan or a Medicare Advantage Plan (HMO, PPO), you should have received information from your plan by the end of September. It is important to **read** and **save** this information because it explains the changes in your plan for 2020.

During Medicare's Annual Open Enrollment (October 15 – December 7), you will have a chance to change your plan for next year. If you never had a drug plan, this is your opportunity to join one. SHINE (Serving the Health Insurance Needs of Everyone...on Medicare) counselors can help you understand your plan changes, as well as explain other options you may have. **Appointments are limited so make your appointment soon.** Please bring your Medicare card and list of prescription medications with you to your appointment.

Trained SHINE counselors offer free, confidential counseling on all aspects of Medicare and related health insurance programs. To make an appointment with the SHINE counselor here, please contact 978-777-4067. You may also call the Regional SHINE office at Mystic Valley Elder Services in Malden at 781-388-4845, leave a message and a counselor will return your call as soon as possible.
