All group health plans for which you are eligible to enroll meet the Medicare definition of **Creditable Coverage**. Prescription drug coverage through the Town of Middleton will be at least as good as the standard Medicare Part D benefit. If you enroll in a Town of Middleton health insurance, you do not need to enroll in Medicare Part D. If you later decide to enroll in Medicare Part D, you will not be subject to a Medicare penalty. When enrolling in a plan for the first time, you will be given a Creditable Coverage Notice that is specific to your new plan. A copy of Creditable Coverage Notice for any plan is available upon request.
