Tips for Celebrating Safely This Thanksgiving

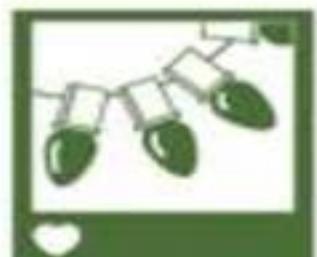

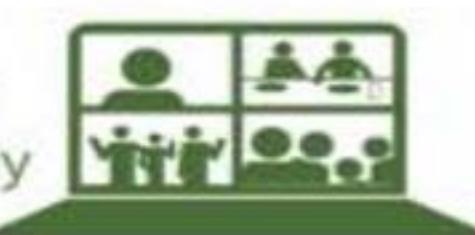

SAFE

CELEBRATE AT HOME

Prepare traditional
dishes with those
in your household

Host a virtual
dinner and share
recipes with family
and friends

Put up your favorite
decorations and
share photos online

Watch parades,
sporting events,
and movies at home

Shop online instead
of in stores

LESS SAFE

IF YOU GATHER, DO SO WISELY

Keep it small
and stay local

Stay outside if possible
and ensure proper
ventilation if indoors

Wear masks and
social distance

Wash or sanitize
your hands
regularly, especially
before eating

Avoid contact with
non-attendees for
14 days before and
after your gathering

UNSAFE

AVOID...

Large gatherings,
especially indoors

Potlucks, buffets,
or other
shared food

Places with
crowds, such as
stores, parades,
running events,
and sports

Contact with
anyone who is
sick or may
have been
exposed to
COVID-19

These tips were developed from guidelines from the Centers for Disease Control and Prevention (CDC). You should also follow advice from your local health department.

If you are sick or have been in contact with someone who is sick or has COVID-19 symptoms, you should stay at home and away from others.
