

**COMMITTEE CHARGE & MISSION
TOWN BUILDING COMMITTEE
JUNE 15, 2021**

The Middleton Select Board seeks volunteers to serve on the Town Building Committee. The Committee will advise the Town Administrator and Select Board in selecting an owner's project manager, designer, general contractor, sub-contractors, and other specialties for the construction of the public facilities complex at 105 South Main Street. The public facilities complex will include a combined police and fire public safety building and a combined community center and town hall. This project builds on the work of the Master Development Planning Committee and the municipal center master plan prepared by HKT Architects dated September 2020. The master plan can be viewed at <https://middletonma.gov/578/Public-Facilities-Project>.

The Select Board seeks up to 9 members with broad backgrounds and expertise, including but not limited to engineering, surveying, finance, architecture, landscape design/architecture, project management, and construction. The Select Board may also appoint ex officio members with familiarity or expertise in the subject buildings. The Committee shall ensure community engagement in the design of the buildings and the site. Members should anticipate frequent meetings. Interested volunteers should expect a commitment of approximately 36 months.

Residents interested in serving on the Committee are invited to submit a Talent Bank application to andrew.sheehan@middletonma.gov.

Talent Bank applications are available at
