

Town Administrator Update

August 8th, 2023

- The Middleton Fire Department will be hosting a 9/11 Remembrance Ceremony on Monday, September 11th, 2023. The ceremony will begin at 9:30 am and will be held at the Fire Station.
- The Development Review Group met today. We discussed two topics:
1. Howe's Market at 227 & 229 N. Main Street and 2. The Corner of Lake and N. Main Street. We anticipate these projects to come forward in the coming months.
- Our team is actively monitoring drainage issues and impacts from new developments across town. Asst. TA Bresnahan and I drove around during the storm today to witness any potential flooding issues firsthand.
- The Middleton Food Truck Festival will be held on Saturday September 9th from 11:30 to 5:30 at 105 South Main Street.
- Our team has been on hand at recent Building Committee meetings to help finalize plans for the Municipal Campus. A meeting is scheduled again for next Monday, August 14th to finalize figures to move forward at the Special Town Meeting. The project will also be going before the Zoning and Planning Boards over the coming weeks.
- As a reminder, a Special Town Meeting is tentatively believed to take place for Tuesday, October 17th. A schedule will be distributed shortly highlighting the timeline in approach of this meeting.

Respectfully submitted,
