Re: Traffic

Valued Middleton Resident,

The number one complaint we receive in town is **traffic**. More often than not, Rt.114 is at a standstill. This complicated issue needs input from you – the Middleton citizen!

I would like to invite you to our Middleton Citizens Forum on Traffic to be held on Wednesday, November 6th, 2024 at 6pm in the Flint Public Library. Can you join us?

At the forum we will:

- Review the recent Rt.114 Corridor Study
- Discuss the proposed \$2,000,000 MassWorks grant to redesign and reconstruct the intersection of Rt.114 and Rt.62 in front of Memoria Hall
- Solicit public feedback on the proposed improvements

In a world full of problems, we are eager to talk with you about potential solutions.
Let's keep Middleton moving.

Looking forward to seeing you!
